At that time the nominated individual should stand and state their interest in the Chesapeake Bay Retriever and the Club. If the proposed candidate is not present at the meeting, the proposer shall present to the Secretary a written statement from the proposed candidate signifying their willingness to be a candidate, and a brief description stating their interests in the Chesapeake Bay Retriever and the Club. Said statement is to be read aloud to members present and entered into the meeting minutes.
- d) Nominations cannot be made at the annual meeting or in any manner other than as provided in this section.

Section 3) *Voting*

At the annual meeting elections shall be held to fill vacancies for the Board of Directors for the ensuing year. Voting shall be by secret ballot from among those nominated. Ballots shall be prepared listing candidates of the Nominating Committee and those, if any, who were nominated at the January meeting. The chairperson nomination shall be reported to the membership at the next Club meeting, and put to a vote of the members when a quorum is present. Committees shall always be subject to the final authority of the Board. Individuals who are not club members may assist committees, but non-members shall only act on the direction of the committee, and responsibility for actions of the committee remains with the appointed club members.

Article VI: Parliamentary Authority

The rules contained in *Robert's Rules of Order* - Tenth Edition, or the most current version, shall govern the Club in all cases to which they are applicable and in which they are not inconsistent with these by-laws and any other special rules of order the Club may adopt.

Article VII: Discipline

Section 1) American Kennel Club Suspension

Any member suspended from the privileges of The American Kennel Club automatically shall be suspended from the privileges of this Club for a like period.

Section 2) Charges

Any member may refer charges against a member for alleged misconduct prejudicial to the best interests of the Club or the breed. Written charges with specifications must be filed in duplicate with the Secretary together with a deposit of \$25, which shall be forfeited if such charges are not sustained by the Board. The Secretary shall promptly send a copy of the charges to each member of the Board or present them at a Board meeting, and the Board shall first consider whether the actions alleged in the charges, if proven, might constitute conduct prejudicial to the best interests of the Club. If charges are filed against a Board member, the accused Board member shall be excluded from the Board meeting that considers whether a hearing shall take place on the matter.

If the Board considers that the charges do not allege conduct, which would be prejudicial to the best interest of the Club, it may refuse to entertain

jurisdiction. If the Board entertains jurisdiction of the charges, it shall fix a date for a hearing by the Board not less than three weeks or more than six weeks thereafter. The Secretary shall promptly send one copy of the charges to the accused member by registered mail together with a notice of the hearing and an assurance that the defendant may appear in his own defense and bring witnesses if he wishes.

In the event that criminal charges are filed against a Board member, that Board member shall be suspended from all Board activities until such time as the matter has been settled by a court in the state where the criminal charges were filed.

Section 3) *Board Hearing*

The Board shall have complete authority to decide whether counsel may attend the hearing, but both complainant and defendant shall be treated uniformly in that regard. Should the charges be sustained after hearing all the evidence and testimony presented by the complainant and the defendant, the Board may by majority vote of those present reprimand or suspend the defendant from all privileges of the Club. The suspension period shall be six months from the date of the hearing. And, if it deems that punishment insufficient, it may also recommend to the membership that the penalty be expulsion. In such case, the suspension shall not restrict the defendant's right to appear before his fellow members at the ensuing Club meeting which considers the Board's recommendation. Immediately after the Board has reached a decision, its findings shall be put in written form and filed with the Secretary. The Secretary, in turn, shall notify each of the parties of the Board's decision and penalty, if any.

Section 4) *Expulsion*

Expulsion of a Member from the Club shall be automatic and immediate if a member is convicted of criminal charges against the Club or against an animal; otherwise expulsion may be accomplished only at a meeting of the Club following a Board hearing and upon the Board's recommendation as provided in *Section 3* of this Article. Such proceeding may occur at a regular or special meeting of the Club, to be held within sixty (60) days but not earlier than thirty (30) days after the date of the Board's recommendation of expulsion. The defendant shall have the privilege of appearing on his own behalf, though no evidence shall be taken at this meeting. The President shall read the charges and the Board's findings and recommendation, and shall invite the defendant, if present, to speak on his own behalf if he wishes. The members shall then vote by secret ballot on the proposed expulsion. A 2/3's vote of those present and voting at the meeting in which a quorum is present shall be necessary for expulsion. If expulsion is not so voted, the Board's suspension shall stand.

Article VIII: Amendments

Section 1) *Proposing Amendments*

Amendments to the constitution and by-laws may be proposed by the Board of Directors or by written petition addressed to the Secretary signed by 20 percent of the membership in good standing. Amendments proposed by such petition shall be promptly considered by the Board of Directors and must be submitted to the members with recommendations of the Board by the Secretary for a vote within ninety (90) days of the date when the petition was received by the Secretary.

Section 2) *Voting on Amendments*

The Constitution and By-Laws may be amended by a 2/3 secret vote of the members present and voting at any regular or special meeting called for the purpose, provided the proposed amendments have been included in the notice of the meeting and mailed to each member at least two weeks prior to the date of the meeting. Mail-in ballots are unacceptable.

Section 3) *Periodic Review*

The Constitution and By-Laws are to be subject to review every 5th year of the Clubs existence. At the beginning of the 5th year of operations and every 5 years hence, the President is to appoint a committee, to be chaired by the Vice President to review the existing Constitution and By-Laws to ensure their validity and relevance to current operations. It is the committee's duty to make recommendations for changes, additions and deletions to keep the Club current. All changes must be submitted to the Secretary and then provided to the Board of Directors for review before being submitted to the general membership. The membership is to receive the proposed changes at least two weeks prior to the annual meeting. The review committee's changes are to be presented to the membership for a vote at the annual meeting.

Article IX: Dissolution

The Club may be dissolved at any time by the written consent of not less than 2/3 of the members in good standing. In the event of the dissolution of the Club other than for the purpose of reorganization whether voluntary or involuntary or by operation of the law, none of the property of the Club nor any proceeds thereof nor any assets of the Club shall be distributed to any Members of the Club, but after payments of debts of the Club shall its property and assets be disposed of in accordance with the MCBRC *Constitution, Section 3) Limitations*.
