Safety Tips for the Holiday

The winter season brings lots of fun holiday festivities, but pet-owners should keep in mind the following special precautions:

- The holidays are not ideal for introducing a pet into your family. New puppies and dogs require extra attention and a stable environment, which the holiday season doesn't permit. Also, a puppy is not a toy or gift that can be returned. Instead, the AKC suggests giving a gift representative of the dog to come, such as a toy, a leash, or a bed.
- Holly, mistletoe and poinsettia plants are pet poisons! Make sure they are kept in places your dog cannot reach.
- Review holiday gifts for dogs to make sure they are safe. Items such as plastic toys and small rawhide sticks may be dangerous.
- Remove holiday lights from lower branches of your tree. They may get very hot and burn dogs.
- Watch out for electrical cords. Pets often try to chew them and may get badly shocked or electrocuted. Place wires out of reach.
- Avoid using glass ornaments. They break easily and may cut a dog's feet and mouth.
- Refrain from using edible ornaments. Your dog may knock the tree over in an attempt to eat them. Also, commercial ornaments may contain paint or toxins in the preservatives.
- Whether your tree is live or artificial, both kinds of needles are sharp and indigestible. Don't leave your dog unattended in the room with the tree.
- Tinsel is dangerous for dogs. It may obstruct circulation and, if swallowed, block the intestines.
- Alcohol and chocolate are toxic for dogs, even in small amounts. Keep unhealthy, sweet treats and seasonal goodies out of reach.
- The holiday season is a stressful time for dogs. Try to keep a normal schedule during all the excitement.

Our Nationals Vacation

By Deb Rhodes

We packed the camper and jeep and off to Ohio we went. We were both excited like children waiting to go trick or treating. We arrived at the convention center for a day of watching...dogs, obedience, and people. You hear about all the "big" breeders but here they are and they look nothing like you have pictured. Chessies really do come in all colors; I saw some colors you would have a hard time describing. Ginger was asked to be the honor dog for a higher class in Rally. All we had to do was sit and let the dog run its course, I thought, but then we had to run the course so he could honor. Ginger did an awesome job for no practice and only taking 6 classes two months ago. I was totally impressed with her ability and she loved it. I should have entered her in Rally novice. Watching all the obedience you wonder if you can ever get your dog up to that challenge. The class ring was something else first of all it was HUGE! Ginger must have known what we were here for because she seemed really on. We didn't make the cut but we didn't think we would. We had really come to the Nationals to scope out all the males. Watching BOB competition and trying to keep track of who's who, taking notes, video tape, and talking about the dogs all at the same time not an easy task. It was a

huge surprise to me that when you pick out dogs you like they seem to go back to one or two kennels. It's all about your own style dog. The whole experience was great; overall we Chessie people are a great bunch and I will definitely go again. Deb & Ginger

Training Tips

By David Keehn

Training Tip #2

Give the beginning or young dog just 2 or 3 retrieves a day about 3 days a week. Very distances and places, start short "gun station" marks early as well. Do this in mowed lawn with flat terrain at first, slowly increase cover and other factors.

THE DOGS WHO HAVE SHARED OUR LIVES

*The dogs who've shared our lives.
 In subtle ways they let us know
 their spirit still survives.
 Old habits still make us think
 we hear a barking at the door.
 Or step back when we drop
 a tasty morsel on the floor.
 Our feet still go around the place
 the food dish used to be,
 And, sometime, coming home at night,
 we miss them terribly.
 And although time may bring new friends
 and a new food dish to fill,
 That one place in our hearts
 belongs to them...
 and always will.*

---Linda Barnes ---

Sadly on November 7, 2009 Robin Zerbst lost her oldest dog Echo. She was born December 2, 1997.

We apologize for any errors and will strive to correct them in the next issue. Thank you for your patience.

A BIG THANK YOU to everyone who contributed to The Chesapeake Gazette.
