

NEW TITLES IN 2015

SHOW - 2

FIELD - 2

RALLY - 1

MISC. & NOTEWORTHY - 2

Congratulations To Everyone On Their New Titles In 2015!

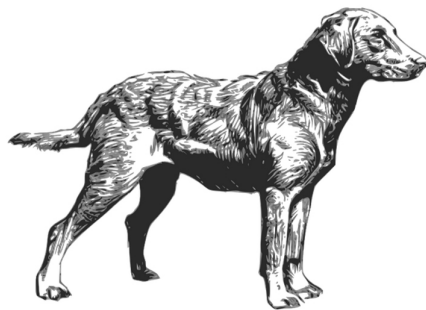

It's nice to see that we have members continuing in a variety of competitions that display the many abilities of our Chesapeakes.

We know there are many more members that are on their way to titles, hunting and just having fun.. Keep up the good work!

This year since we have two Veterans in our report, I decided to list their accomplishments first. They do have seniority after all and it's great that they are still able to stand up against their younger counterparts!

Thereafter, the New Titles are listed in the order they were obtained.

Again, Congrats to everyone that put in the hard work to compete.
