

MCBRC 2014 Memorial Tribute

Pawprints Left by You

*You no longer greet me,
As I walk through the door.
You're not there to make me smile,
To make me laugh anymore.
Life seems quiet without you,
You were far more than a pet.
You were a family member, a friend,
a loving soul I'll never forget.*

*It will take time to heal ~
For the silence to go away.
I still listen for you,
And miss you every day.
You were such a great companion,
Constant, loyal and true.
My heart will always wear
the pawprints left by you.*

Born August 21, 2001, lovingly owned by Cindy Franklin & Ed Essiambre.

Left us at age 13+. He truly had a “Dog’s Life”.

Lovingly called the “MAYOR of FISH POINT” Bear had free run to retrieve all the crippled ducks he’d want, beg at all the picnics and always find a kid to throw a stick. He was Loved by all who met him and is very sorely missed.

Cash was the constant companion of Wayne & Joyce and spent many hours in the pheasant fields with Wayne. Through the years Cash helped hone the skills of other Chessies in the field; the latest being his 'little brother' Dakota. He made annual trips out west to chase pheasants with Wayne and family members, as well as Chessie pals Rudy & Sydney.

Cash finished his show title in style going Best of Winners as well as BOS over top ranked Specials. He was a sweet boy that is truly missed.

Rudy had personality plus. He was easy going and fun to be around. All Chessie and always gentle with his housemate the Min-Pin. It was funny, sometimes his owners would put them in the kennel run together and if it was a bit chilly, the Min-Pin would be wearing a coat. Rudy would have none of that. Before long he would work the coat off and tear it to shreds. Maybe he thought the Min-pin was some sort of chew toy delivery system. Rudy was a great hunting dog too, mostly hunting pheasants and accompanying his owner Mark on many trips west along with Wayne and Cash. Rudy has a son that is currently one of the top K-9 Officers in Indiana. Rudy's toothy smile is really missed.

Jim and I find it ironic that Skye would be the last of our kennel line here at Parklake. You see, we were never meant to have her. Our friend, Barbara Young, who owned an Oliver son was the intended owner of Skye. When she had learned of the litter the Irishes were having out of a Bandit grandson, she made arrangements for Jim and I to pick out a female pup for her, since she lived in Arizona. Well, as life sometimes has a way of throwing people a curve, Barb ran into some serious health problems and passed away before Skye ever made it out to Arizona. We ended up with Skye. Skye grew into a beautiful girl. She had tons of natural drive to hunt and did well in the show ring too as a Group winner and multiple group placer. She loved people and was a great companion to Jim and I over the years. It was truly a great loss here at Parklake when she passed. The end of an era.
Owned and missed by Jim & Carole Bomberger.
